

LYNX Announces January Fare Increase

ORLANDO, Fla. (Dec. 17, 2008) – Despite ridership peaking at an all-time high of more than 27 million passenger trips in fiscal year 2008, reduced funding and the elevated cost of gas and operations has forced the Central Florida Regional Transportation Authority (LYNX) agency to raise its base fare to \$2.00.

This measure was adopted by the agency’s Board of Directors at the October Board of Directors meeting. The fare increase will be effective Jan. 4, 2009.
